Tawkere Drainage scheme 3

General and Revenue Secretariat | File No | of 194 | [App F III-2

Serial No	
	States that the lower tender of M/s Gannon Dunkerley for Rs 12,437-8-0 against the sanctioned estimate for Rs 11,600/- only for the Tawkere drainage scheme has been accepted in anticipation of Govt sanction and that the actual excess over the estimate amounts to Rs 2,392 including the E T P charge, and requests sanction to a Govt grant of Rs 1,196 out of T I grants for 1941-42 instead of Rs 825 as originally asked for
	6 Submitted orders the D P H now recommends that a Govt grant of Rs 1196 instead of Rs 825 as originally recommended being a moiety of the total excess cost of Rs 2,392 including the E T P charge may be sanctioned out of the T I grants for the current year. As for the other half of the cost the Tawkere Municipality has been addressed
	7 As the lower tender for Rs 12,437-8-0 has been accepted in anticipation of Govt sanction, the estimate Rs 11,600 will have to be revised to Rs 12,437-8-0 and in order to meet the excess cost a grant of Rs 1,196 may perhaps be sanctioned
	8 Submitted for orders
	9 The Director of P H may be asked to obtain hereby a revised estimate for Rs 12,437/8/- duly countersigned by the President of the Tawkere Town Municipal Council, together with

Sir

Re Tarikere Drainage

Adverting to Government Order No G L 2598-601/41 77-40-9 dated 25-9-1941 sanctioning an estimate for Rs 11,600/- for construction of box drains and providing curb stones for the provincial roads running in Tarikere Municipality limits, the work being attended to by the Bureau of Sanitary Engineering, I have the honour to state that the Sanitary Engineer reports that no provision has been made in the estimate for establishment, tools and plant charges as seen from the copy of the detailed estimate received from the Executive Engineer, Kadur Division The establishment, tools and plant charges calculated at 12½% amount to Rs 1,450/- thereby necessitating the enhancement of the estimate to Rs 13,050/-

On the above basis a further Government grant of Rs 725/- being half the share of the excess of Rs 1,450/-, is necessary

The Deputy Commissioner, Kadur District, has this day been requested to intimate whether the Municipal Council, Tarikere are willing to bear their quota of cost towards the excess of Rs 1,450/- Meanwhile the Sanitary Engineer has been instructed to proceed with the work in anticipation of the approval of Government and the Municipal Council to the enhancement of the estimate

I request that you may be so good as to obtain orders of Government sanctioning Rs 725/- in addition

I have the honour to be,
Sir,
Your most obedient servant,
Director of Public Health

Bangalore

Re Tarikere Drainage

In continuation of this office letter No C 151-8 dated 10th December 1941 requesting sanction of Government to a further grant of Rs 725/- as Government contribution towards the excess of Rs 1,450/- being establishment, tools and plant charges omitted in the original estimate, I have the honour to state that tenders for the work were called for by the Sanitary Engineer Only two tenders are received in response and the lower tender of Messrs Gannon Dunkerley &co is for Rs 12,437-8-0

In recommending the acceptance of the lower tender viz , for Rs 12,437-8-0, the Sanitary Engineer intimates that the actual - excess over the estimate will be Rs 838/- on work portion and that including establishment, tools and plant charges on the total, funds to the extent of Rs 2392/- will still have to be provided

The lower tender is this day accepted and returned to the Sanitary Engineer for needful action, in anticipation of approval of Government to the excess over the estimate A copy of this letter is sent to the Deputy Commissioner, Kadur District, for obtaining the opinion of the Tarikere Municipal Council to the further share of the excess

I request you to be so good as to obtain and convey sanction of Government to a grant of Rs 1,196/- instead of Rs 825/- asked for in this office letter dated 10-12-1941 quoted above, out of Town Improvement Grants

A copy of letter No 1003 dated 3-1-1942 of Sanitary Engineer

P T O

Engineer on the subject is enclosed for information of Government

I have the honour to be,
Sir,
Your most obedient servant,
S Ramaswamy
Director of Public Health

Letter No 1003 dated 3-1-1942 from the Sanitary Engineer, Bangalore, to the Director of Public Health in Mysore, Bangalore

---

Re Constructing box drains, providing curb stones etc , at Tarikere

---

I have the honour to state that in Government Order No L 2598-601/M1 77-40-9 dated 25th September 1941 an estimate amounting to Rs 11,600/- has been sanctioned for the above

Tenders for the work were called for by publication in the Gazette and copies of the abstract notification were also forwarded to the contractors who usually tender for works Only two tenders are received in response to the notification The cost of the work according to the lower tender of Messrs Gannon Dunkerley & Co , is Rs 12,437-8-0, while the cost according to the other tender of Mr M S R Gundappa is Rs 14,946-10-0 Both the tenders are higher than the estimate and neither of the tenderers is a local man

Since the cost of labour and materials are rising on account of the present unsettled condition, I recommend that the lower tender be accepted

In this connection, reference is invited to your letter No C 151-9 dated 10th December 1941 wherein Government have been addressed in the matter of "establishment, tools and plant charges" not having been provided in the original estimate

According to the lower tender, the actual excess over the estimate will be Rs 838/- on work portion, and including establishment, tools and plant charges on the total, further funds to the extent of Rs 2,392/- will still have to be provided

The original tenders and the comparative statement are submitted herewith for information and return with orders

Bangalore

Sir,

Regarding Tarikere Drainage Scheme

With reference to the two letters Nos C 151-9 dated 10-12-41 and C 151-13, dated 17-1-1942, addressed to you by the Director of Public Health requesting sanction of Government to a grant of Rs 1196/- on account of the acceptance of the tender for Rs 12437-8-0 and inclusion of the establishment, tool and plant charges, I have the honour to state, that the Town Municipal Council, Tarikere, who were consulted in the matter, have resolved at their meeting held on 31st December 1941 that the box drains proposed to be constructed run on both sides of the State Fund Roads maintained by the Public Works Department, for which they have agreed to bear half the cost of the estimate and that their share of the establishment, tool and plant charges be waived as a special case

2 In this connection, I beg to state that the estimate for the construction of the box drains along the Tarikere-Bangalore road within the Municipal limits of Tarikere was prepared by the Executive Engineer, Kadur Division, for Rs 11600/- in accordance with the instructions issued by the previous Dewan during his visit to Tarikere on 25-11-1939 According to the tender now accepted by the Director of Health, the establishment, tool and plant charges are Rs 1555 and the actual excess over the estimate is Rs 838/- The share of the Municipal Council will be Rs 777 and Rs 419 respectively

3 In the circumstances

3 In the circumstances, I request th t the sanction of Govern ent may kindly be obtained for waiving the esttablishment, tool and plant charges on the estimate If this is not possible, I request that the charges ma , at least be - reduced by 50% The sanction of Government may also be obtained for the grant of Rs 1196/-, as recommended by the Di ector of Public Health The report of the President, - Municipal Council, Tarikere together with the council - resolution dated 31-12-1941 is enclosed for reference

I have the honour to be

Enclosure No One file

Sir

Re Construction of box drains alongside of the Provincial roads in Tarikere Town

dated 25-5-42 ith for the No J 225-2 r District, atersignature atimation that startin the neer to start the tender on the modified

In continuation of my letter of even number dated 22nd May 1942, on the above subject, I have the honour to state that, after a joint inspection of the town with me, and a discussion with the Municipal Council at Tarikere the Sanitary Engineer sent a modified estimate for Rs 13,992/- The Municipal Council have resolved at their meeting held on 20-9-1942 that the estimate may be countersiged for Rs 12437/- only excluding the A T and P Charges amounting to Rs 1555/- and Government be requested for a grant of Rs 418/- being half of the amount in excess over the sanctioned original estimate

In this connection, I beg to state that the Municipal estimate on account of a number of deviations and recommends that the work may be entrusted to the accepted tenderers of the original work viz , Messrs Mannon Dunkerly & Co at the estimated rates ne letter of the firm a resin to take up the work as per modified estimate rates is enclosed herewith in original, for the information of Government

As there is not much chance of any saving accruing by calling for fresh tenders, but on the other hand may perhaps result in excess over the estimate and delay in starting the work, I request you to be so good as to obtain and convey approval of Government to entrust the work to the above firm at the estimated rates provided in the modified estimate

Sir

Re Construction of box drains alongside of the Provincial roads in Tarikere Town

No 5194

In continuation of my letter of even number dated 22nd May 1942, on the above subject I have the honour to state that, after a joint inspection of the town with me, and a discussion with the Municipal Council at Tarikere the Sanitary Engineer sent a modified estimate for Rs 13,992/- The Municipal Council have resolved at their meeting held on 20-9-1942 that the estimate may be countersiged for Rs 12437/- only excluding the A T and P charges amounting to Rs 1555/- and Government be requested for a grant of Rs 418/- being half of the amount in excess over the sanctioned original estimate

In this connection, I beg to state that the Municipal

Municipal Council have paid the sum of Rs 5800/- being their contribution towards the cost of the original estimate Regarding the waiving of the establishment tools and plant charges of Rs 1555/- kind reference is invited to this office letter No A3-C 4620/36-7 dated 19-2-1942 in the matter In view of the meagre finances of the Municipality, I request that the establishment tools and plants charges may be kindly waived as a special case Sanction of the Government may be kindly obtained for the modified estimate waiving the establishment tools and plant charges included therein and also for a grant of Rs 418/- towards the excess amount over the original estimate

Meanwhile, I have requested the Director of Public Health to arrange for the commencement of the work The estimate, plan and a copy of the Municipal Council's resolution are enclosed for reference and return when done with

I have the honour to be

GOVT OF MYSORE

Sir

Tarikere Town Drainage Works -

In continuation of this office letter of even No dated 30-9-42 on the above subject, I have the honor to enclose herewith for the information of Government a copy of this office letter No C 225-3 dated 7-9-42 addressed to the Deputy Commissioner, Kadur District, forwarding a modified estimate for Rs 13,992 for the countersignature of the Tarikere Municipal Council President, with the intimation that the Sanitary Engineer has been requested to arrange for starting the works of the modified estimate lines

In reply to this office order to the Sanitary Engineer to start the work, he intimate that it is not possible to apply the tender accepted for the original work for the works comprised on the modified estimate on account of a number of deviations and recommends that the work may be entrusted to the accepted tenderers of the original work viz, Messrs Gannon Dunkerly & Co at the estimated rates The letter of the firm agreeing to take up the work as per modified estimate rates is enclosed herewith in original, for the information of Government

As there is not much chance of any savings accruing by calling for fresh tenders, but on the other hand may perhaps result in excess over the estimate and delay in starting the work, I request you to be so good as to obtain and convey approval of Government to entrust the works to the above firm at the estimated rates provided in the modified estimate

Copy

A copy of Sanitary Inspector's letter No. 772 dated 11-12- in the matter is enclosed for the information of Government

I have the honour to be,
Sir,
Your most obedient servant,

Director of Public Health

with a copy of his letter No 270 dated 1st September 1942 stating that it is now proposed in agreement with the views of the Deputy Commissioner and the Municipal Council to cover up the open space of the box drains on the left side with covering slabs and that on the right side where the ground falls off from the road, there is no necessity for new drains I request you to be so good as to return the estimate duly countersigned by the President, Municipal Council, Larikere

The Sanitary Engineer is this day requested to arrange for starting the work on the modified estimate lines

Letter No 772 dated 11th December 1942 from the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, to the Director of Public Health in Mysore, Bangalore

---

Tarikere town drainage works

With reference to your letter No C 225-3 dated 7th September 1942 forwarding copy of letter addressed to the Deputy Commissioner, Kadur District, Chickmagalur, with the direction to start the work on the lines of the modified estimates, I have the honour to state that the estimate as now modified and submitted for sanction contains a number of deviations from the original estimate on the basis of which tenders were called for As such, it is not possible to apply that tender for the works comprised in the modified estimate Messrs Gannon Dunkerly & Co Ltd , who previously tendered for this work were consulted in the matter whether they would be agreeable to undertake the works of the modified estimate at the modified estimate rates now pending sanction, they have in their application enclosed, agreed to the same It may be stated in this connection, that the rates provided in the modified estimate under sanction are reasonable and there is not much chance of accrual of any savings in the event of fresh tenders being called for, which may lead to excess charges, on account of present difficult times, both in respect of material and labour This will also facilitate the use of materials already collected by the firm in persuance of the orders accepting their previous tender in respect of the original estimate Much time would also be saved in starting the work I request, under the circumstances, your kind approval to entrust the work to Messrs Gannon Dunkerly & Co , Ltd , at the modified estimate rates

Dear Sir

Re Drainage work at Tarikere Town

With reference to your letter No 1830 dated 17th inst we are agreeing to take up the work as per the revised estimate although the rates for some of the items are poor in view of the fact that we have already collected some materials for the work We request you therefore to send us the formal orders to carry out the work at the estimated rates In the meanwhile we are issuing instructions to our representative to proceed with the collection of materials which we trust would be in order

Thanking you,

Yours faithfully
For GANNON DUNKERLEY & CO LTD
